Re: PM 1522 - Process for Impregnation and Expansion of Tobacco

Dear Bill:

Further to our telephone discussions regarding PM 1522, please file a Supplemental Amendment as soon as possible presenting new claims framed in accordance with the proposed claims enclosed herewith.

Please feel free to edit the claims to comport with support or antecedents in the specification and/or to address other matters that you deem appropriate.

Please attend to the remaining matters that were raised at our recent meeting, perhaps in a second supplemental amendment.

May I suggest that upon filing of the Supplemental Amendment, that we fax a copy and/or telephone the Examiner to advise him of the Supplemental Amendment.

Thank you for your immediate attention to this matter.

Sincerely,

Charles E. B. Glenn
